Product Manager + Developer · AI-native

Moscow · GMT+3 · remote / hybrid

// ABOUT

Product manager + developer. Spec-driven approach: planning, hypotheses, then implementation. Deeply immersed in AI — building agents, RAG systems and business process automation. Claude Code is my primary tool, 3M+ tokens per week.

// EDUCATION

2023 — 2027 **Plekhanov Russian University of Economics**
Applied Informatics · 3rd year

2025 — 2026 **Yandex Practicum**
PM extended
